Rebate

// Base Rebate will be calculated based on purchases of eligible products during the program period.

// Growth Rebate can be earned if grower purchases increase by 10% or more compared to reported purchases of eligible products in the prior program year. Growers that qualify for the growth rebate will earn the base rebate + the growth rebate on all eligible purchases in the eligibility period. *Ex: A grower who purchases \$50,000 and has increased purchases by 10% or more, will earn 6% on all eligible purchases in the period.*

// Rebate will be paid in the form of My Bayer Reward points.

Points can be redeemed for company checks, distributor credit or 1,000's of catalog items.
