Additional Program Details and Qualifications: All Agency Products are sold on behalf of BASF. All sales are final. No returns. Rebate will be based upon reported sales from the BASF Authorized Agent(s) and Distributor(s). The T&O EOP End-User Rebate program applies only to these Qualified End-User professionals: golf, Lawn & Landscape, sports turf, sod farms, municipalities, and parks & rec. Multiple sales orders for one customer are cumulative and will qualify if ordered between program dates and from any BASF Authorized Agent(s) and/or Distributor(s). The Qualified End-User must purchase at least three (3) Qualifying Fungicide brands totaling at least \$5,000 to qualify for the 2022 T&O Design-Your-Own Program (Offer 1) under the 2022 T&O EOP End-User Rebate Program. The Qualified End-User must purchase at least \$2,000 of Qualifying EOP Products to qualify for the 2022 T&O EOP Remaining Portfolio Rebate (Offer 2) under the 2022 T&O EOP End-User Rebate Program. Product must be purchased, invoiced and delivered between the program dates. No exceptions. The invoiced dollar amount for Agency Products and the redemption value of qualified non-Agency Products will be used to determine Qualified End-User total purchase and rebate earned. Qualified End-User must be in good credit standing with agent to receive special promotional terms. All Agency Products invoiced between October 1, 2021 and January 31, 2022 will receive June 9, 2022 terms for the Qualified End-User. All Agency Products invoiced after January 31, 2022 will receive net 60 days for the Qualified End-User. Terms for Agency Products offered at the Agent's discretion. Terms for qualifying non-Agency Products are determined by a BASF Authorized Distributor. All rebates will appear as a credit on the Qualified End-User's account with the agent who processed the order. T&O EOP End-User Rebate credit will become available by July 31, 2022. If a Qualified End-User purchases from more than one agent, the rebate will be applied to the respective agent based on percent purchase from each agent.

All products may not be registered for sale or use in all states. Please check with your state or local Extension Service.

BASF applied the California mill tax (2.175%) to Agency Products in the state of California. California residents consult your local BASF distributor for pricing of non-Agency Products.
