

74731NS | 4.7 RM

Trait: XF / STS

Hybrid Highlights

- XtendFlex® technology
- Very attractive plant style with strong standability
- Impressive performance against key Xtend checks
- Best performance Delta moving East Coast
- Versatile line with performance across soils and yield environments

Plant Characteristics

Flower Color	White
Pubescence Color	Tawny
Pod Color	Brown
Hilum Color	Black
Plant Type	Medium
Plant Height	Med-Tall
Phytophthora Gene	Rps 1a
SCN Gene	PI 88.788

Herbicide Tolerance

Glyphosate	Yes
Glufosinate	Yes
Dicamba	Yes
2,4-D Choline	No
STS	Yes

Agronomics

Emergence	Excellent
No-Till	Excellent
Wide Row Adaptation	Above Avg
Stress Tolerance	Very Good
Standability	Very Good
Chloride Sensitivity	N/A

Disease Tolerance

SDS	Average
PRR Field Tolerance	Above Avg
IDC Tolerance	N/A
BSR	N/A
White Mold	N/A
Root Knot	Susceptible
Stem Canker	Resistant
Frogeye	N/A
Cercospora	N/A

Yield Environment Placement

Tough	Above Avg
Variable	Very Good
High Yield	Excellent

Soil Placement

Stress Prone	Above Avg
Variable	Excellent
Poorly Drained	Very Good
Highly Productive	Excellent

Region Adaptability

Bayer Company is a member of Excellence Through Stewardship® (ETS). Bayer products are commercialized in accordance with ETS Product Launch Stewardship Guidance, and in compliance with Bayer's Policy for Commercialization of Biotechnology-Derived Plant Products in Commodity Crops. This product has been approved for import into key export markets with functioning regulatory systems. Any crop or material produced from this product can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for this product. Excellence Through Stewardship® is a registered trademark of Excellence Through Stewardship.

Products with XtendFlex® Technology contains genes that confer tolerance to glyphosate, glufosinate and dicamba. Glyphosate will kill crops that are not tolerant to glyphosate. Dicamba will kill crops that are not tolerant to dicamba. Glufosinate will kill crops that are not tolerant to glufosinate. Contact your seed brand dealer or refer to the Bayer Technology Use Guide for recommended weed control programs.

Roundup Ready 2 Xtend® soybeans contain genes that confer tolerance to glyphosate and dicamba. Products with XtendFlex® Technology contains genes that confer tolerance to glyphosate, glufosinate and dicamba. Glyphosate will kill crops that are not tolerant to glyphosate. Dicamba will kill crops that are not tolerant to dicamba. Glufosinate will kill crops that are not tolerant to glufosinate. Contact your seed brand dealer or refer to the Bayer Technology Use Guide for recommended weed control programs.

XtendFlex® soybeans have received full approval for planting in the United States but are pending approval in certain export markets. For 2020, XtendFlex® soybeans were available as part of a stewardship introduction only to growers who signed a 2020 XtendFlex® Stewardship Agreement and agreed to follow the stewardship requirements. Commercial availability in 2021 is dependent upon regulatory approval.

Performance may vary from location to location and from year to year, as local growing, soil and weather conditions may vary. Growers should evaluate data from multiple locations and years whenever possible.

Roundup Ready®, XtendFlex® and SR Design® are trademarks of Bayer Group.

Always follow grain marketing and IRM requirements and pesticide label directions. Agronomic characteristics and ratings may vary with growing conditions and environment. Ratings are approximate and should not be considered as absolute. Ratings on new products are based on limited data and may change as more data are collected. Extreme or variable conditions may adversely affect performance. WILBUR ELLIS logo, INTEGRA and INTEGRA logo are registered trademarks of Wilbur-Ellis Company LLC.
