

PRECISE NITROGEN TIMING. BETTER VINES.

BenVireo® TerraLux™ 7-0-0 is an OMRI Listed organic ammonium nitrate liquid fertilizer that delivers **100% plant-available nitrogen**, making it an ideal nitrogen source for vine nutritional programs.

Designed to support early season growth, canopy development, and in-season demand, BenVireo TerraLux allows growers to **apply nitrogen when vines can actually use it.**

BenVireo TerraLux is manufactured domestically and sustainably.
